Hello,
I'm Anupriya Sajeev

A Product Lifecycle Manager

An artistic mind blending form and function, I specialize in managing products, websites, content, and data to craft stunning and user-friendly digital spaces. Constantly learning, reading, and practicing the latest technologies, I strive to bring innovative visions to life in the digital realm. Let's work together to transform ideas into captivating digital experiences!

THE PEARL HOUSE

Your Home, Beautified.

MODERN. MINIMAL. MINDFUL.

Rock Salt symbolizes my philosophy on storytelling - grounded in research, shaped by creative writing, and brought to life through design and digital expression. From concept to creation, and tech to creativity - every project is a story designed to resonate, inspire, and spark lasting connections.

CONCEPT. CONTENT. CREATIVITY.

ROCK SALT

FIND YOUR BLEND

Flora.

Flora, our planet's vibrant tapestry, weaves life's myriad hues and textures, breathing vitality into every corner of the Earth. From towering trees to delicate wildflowers, flora shapes our landscapes and sustains ecosystems, playing a crucial role in the balance of nature.
